College Board
Opportunity Scholarships

Turn your efforts into scholarships.

The College Board Opportunity Scholarships program guides you through the college planning process and offers you a chance to earn money for college for each action you complete. The more effort you put in, the more opportunities you’ll have to earn. It doesn’t require an essay or an application, and it doesn’t have a minimum GPA or test score requirement. Scholarships can be used at 2- and 4-year colleges. Half of all scholarships are reserved for students with an annual family income below $60,000.
